Dear Member,

It is that time of year again when we are requesting membership renewals.

After no increases in fees last year, the General Committee has decided to raise 2010 - 2011 membership and storage fees by approx. 5% to help offset higher costs, particularly increases in insurance, power, liquor licensing fees and the expense of hiring a part time Club Manager. We have also had to factor in lower Hall Hire revenue estimates for 2010 – 2011, as changes in the costs and timeframes involved in applying for temporary liquor licenses have had the effect of reducing our hall hire bookings.

As per last year, all 2010 – 2011 fees are due by 30th June. This is to enable the club to complete preparations prior to the start of the next sailing calendar. We also need to update our membership and boat registration details. It is VERY important that you take some time and clearly fill in all the details on the form even if they are the same as last year, particularly any contact details that may have changed. An online version is available from ElwoodSC website, which this year includes an ESC members survey – log on to have your say!

Please note:-

- Senior Members with boats in storage please note that we have included the mandatory Senior Race Fee in your storage fees. Members racing boats more than 6 times a year or who have boat (not board) storage must pay a Race Fee
- For Family Members requiring multiple “Silver Cards”, please clearly identify the individuals details upon your membership renewal forms.
- Social membership provides access to the club during organised club activities, but is a limited membership without the full access and voting rights of senior members. Social Member will receive \$40 worth of ESC Bar vouchers to be used during the 2010/11 season at club events.
- Patrol Members are required to be rostered for duty for minimum 10 days per season.

Club Volunteers

As you will be aware, the club is still predominantly run by volunteers. If you or anyone with an interest to help in the running of the club would like to donate your time on a regular basis, we would appreciate adding you or them to our rosters. A “regular basis” can mean weekly, fortnightly, monthly. The more we have on the rosters the more the work load can be shared and the skills passed on. No experience is necessary, just a desire to help and an interest to learn. In particular, there will be committee positions vacant at the next AGM.

If you have any interest in joining the committee or volunteering your time in any other capacity, please contact me on 0409 332 222 or rob@andos.net.

Regards

Rob Anderson, Vice Commodore,
per. John Dodd, Commodore.
