Fellow Members,

1st June 2013

It's your ESC Membership renewal time again!

The General Committee has decided that after no increases in fees over the past two seasons, an average 5% increase to annual subscription fees for the 2013/2014 season is justified to cover increasing costs and contribute to planned building improvements.

All fees are due on or before 1st July 2013 and members are urged to pay them fully by this date. It is also important that you take some time and clearly complete ALL details on the membership renewal form, even if they are the same as last year. This is important as our membership database needs to be updated early to allow club volunteers to complete preparations (such as duty rosters, handicapping, race management, boat and board storage allocations, Y.A. member registration & Silver Cards and boat registrations) prior to the commencement of the upcoming sailing season.

There will again be a Prompt Payment incentive for members who pay their annual subscription fees by the due date of 1st July, ALL members who have their annual fees received by the club by the due date will go into a raffle to be drawn at the AGM, the prizes being for two members to receive a full refund of all their annual subscription fees paid.

Please note:

- This year we will be implementing a revised Storage Policy designed to allow new members better access to storage, encourage greater participation in club events and increase penalties for people who fail to attend duty days. We will also be enforcing the current policy giving priority in storage allocations to members who pay their fees by the due date.
- We will be requiring members applying for or allocated storage to complete a standardised Y.A. storage application form. Members should note that any equipment stored in the club is at the member's sole risk and is not covered under the club's insurance policies. Members are advised to factor this in when considering insurance coverage.
- All members, including Juniors, with boats in storage have the mandatory Race Fee included in their storage fees. Members racing boats more than 6 times a year must pay the appropriate Race Fee.
- For Family Memberships requiring multiple Y.A. Silver Cards, please clearly identify the individual's details upon your membership renewal forms.
- Patrol Members are required to be rostered for duty for minimum 10 days per season.

As you should be aware the club is predominantly run by volunteers and always needs new people to step up to help out, so if you have any interest in volunteering your time in any capacity please contact myself at commodore@elwoodsc.com

Regards,
Robert Anderson,
Commodore, Elwood Sailing Club Inc.
