Fellow Members,

1<sup>st</sup> June 2015

## **It's your ESC Membership renewal time again!**

The General Committee has decided there will be no increases in annual membership fees for this season, but a **late fee of \$50** shall be implemented. All fees are due on or before **1<sup>st</sup> July 2015** and members are urged to pay them fully by this date. **All fees paid after 1<sup>st</sup> July will incur a late fee of \$50.**

If any member cannot make the payment on time, please contact our Club Manager – Sarah Thompson – to discuss further. These discussions will remain confidential.

It is also important that you clearly complete ALL details **legibly** on the membership renewal form, even if they are the same as last year. This is important as our membership database needs to be updated early to allow club volunteers to complete preparations (such as duty rosters, handicapping, race management, boat and board storage allocations, Y.A. member registration and boat registrations) prior to the commencement of the upcoming sailing season. Any forms that are not clearly legible will be sent back to the member, and their membership will be put on hold until such time as the data is presented properly.

We require members applying for storage to complete a standardised Y.A. storage application form. Members should note that any equipment stored in the club is at the member's sole risk and is not covered under the club's insurance policies. Members are advised to factor this in when considering insurance coverage. Only boats registered on the club boat register are to be stored in the boat shed. Those of you with canoes, SUP's and other beach toys in the boatshed are to remove them from the club by the end of June 2015 or they will be deemed as waste material and disposed of at our next working bee. Members are not to store anything in the boatshed unless they have gained prior approval from the Storage Officer.

**Boat storage at ESC is currently at a premium. Members who have not used their boats in the last 12 months and/or have low storage points should consider removing their boats from the club and allow space for more active members.**

The Club Storage Policy is being reviewed and will be based on "Sponsored Classes" with a view to grow fleet racing at ESC. In general terms, storage will be found for "sponsored classes" but storage for non-sponsored classes will be on an availability basis irrespective of the member's storage point tally. New members seeking storage will need to be sailing club sponsored classes for any guarantee of obtaining boat storage privilege.

The boatshed racking is to be reviewed and will likely change before the new season. We are trying to allocate suitable racking for each class and maximise the packing density in the boat shed. This is another reason to get your fees and data, and storage applications in on time and make sure that your requirements are a part of our planning

**Regards**

**Mark Foster**  
**Commodore, Elwood Sailing Club.**
